Managing your grain samples

MyAccount holds a host of information that is relevant to your business.

Upon selecting the 'MyAccount' tile in the main MyFarm dashboard, you will see the below screen with the 'Samples' pane on the right side. You can open this section by clicking 'View all samples'.

The screenshot shows the MyFarm MyAccount dashboard. The top navigation bar includes the MyFarm logo, a user ID '1105505 - Frontier Agriculture Ltd (Feed)', a help icon, and the Frontier logo. The main content area is divided into four panels: Account Summary, Contracts, Movements, and Samples. The Samples panel is highlighted with a red border and contains a 'View all samples' button. The Account Summary panel shows a balance of 0.00 and a 'View all transactions' button. The Contracts panel lists several retail shop contracts with dates and a 'View all contracts' button. The Movements panel lists movements with dates and a 'View all movements' button.
